~A note from the Principal~

Wow, I can't believe we are already in March! Things have been going great over here at CES. I wanted to thank everyone that helped our 3rd grade with making the General Store so successful. The store made over \$3,000.00 and this will pay for their charter bus fieldtrip to the State Capitol later this month. We are currently having our Cookie Dough Fundraiser, so the more you sell, the more money CES receives to get things for our students, like computers, iPods, etc. I also wanted to inform you to visit our Title 1 page on our school website. You will find information on our Title 1 program, including our School Improvement Plan. There is also a comment button that will go straight to me, if needed. I hope you know my door is always open. Come by or call me anytime!

Thank you for all you do!! ~Mrs. Eason
