## ***A Note from the Principal\_***

\*WOW!!! It has been an absolutely amazing year! I loved seeing your child grow and learn here every day. I will greatly miss the third graders and families and wish them all lots of luck at their new school. I can't wait to see the ones coming back and meet a whole new group of students next year! Our theme next year is: "CES Salutes Learning" and will be full of surprises! Once again, thank you for your participation, input, and trust throughout the year. I have the best job at "The Best School in the Whole Wide World".
